FISHNCHIPS

Born in Texas

WILD-CAUGHT FISH
MADE TO ORDER
Served with pride.

OUR STORY

We're Texans at heart. We love this land, our people, and the simple things done right.

Inspired by the Gulf. Born in Texas. We batter by hand every morning, cut fries fresh daily and toss the side salad the day we serve it.

*This is our Texas.
This is our table.*

Served on our own paper plate — light, honest, made for a busy table.

Allergen & sourcing notes

All fish is fried in shared oil with breaded items — we cannot guarantee a gluten-free or allergen-free preparation. Pollock is our house fish; cod and haddock are available for \$3.00 more. Tartar sauce and remoulade contain egg; ask for sauces on the side or left off. The fresh side salad is dairy- and gluten-free with the vinaigrette served on the side. Values are calculated averages and may vary with portioning, seasoning choice and preparation. Tell us about an allergy when you order and we will walk through it with you.
